Dear Youth Art For Healing Community,

We have been closely monitoring the COVID-19 situation and following CDC recommendations.

As more cases are being confirmed in Maryland and our nation, great concern for everyone's safety and health has led to our decision to **CANCEL the 2020 Youth Art For Healing Art Show on March 30.**

We are always excited to celebrate together at our annual Art Show where students' paintings are on display before their permanent installation in our healthcare partners' facilities.

We're very disappointed about the cancellation of this year's Art Show, however the safety and health of our students, families, partners and supporters is our top priority.

Be on the lookout:

Photos of all 2019-20 students' paintings will soon be on our website's GALLERY page ([GALLERY — Youth Art For Healing](#))

Our 2019-20 set of notecards (each set includes one image from each of our 18 schools) will be created for you to enjoy with your donation of \$50.

Thank you for your understanding and continued support of YAFH!

Be safe and take good care.
Sincerely,

The YAFH Staff and Board
