2023 YAFH VIRTUAL ART SHOWS

During the 2022-23 school year, 209 student artists from 12 schools created 156 beautiful works of art, including 119 paintings for permanent installation in five healthcare sites and 37 Gifts of Gratitude for healthcare workers at three hospitals.

We were thrilled to display the students' 156 paintings at our 2023 Art Show held at the Silver Spring Civic Building in April. Now, we're excited to present our 2023 Virtual Art Shows so that you may enjoy viewing this year's artworks as many times as you would like!

The Virtual Art Shows below showcase the students' artistic talent and giving to others. Enjoy these presentations of their vibrant and uplifting paintings. You can also view the students' artworks and our Virtual Art Shows on our website www.YouthArtForHealing.org.
