Dear Friends,

We're excited to share our **"Youth Art For Healing in Action"** video highlighting our final project year and plans to move forward with [the Matt Papirmeister Award](#).

We're thrilled to continue supporting student artists who create paintings to bring healing, inspiration, and comfort to others in healthcare settings. Every year, two high school seniors will each receive a \$2,500 award payable directly to the post-secondary school where they will be pursuing educational and artistic opportunities.

Along with viewing our new video, you can enjoy reading about the very talented [first recipients of the Matt Papirmeister Award](#).

With your donation of \$50 or more toward the Matt Papirmeister Award, we will be able to continue supporting student artists who are creating, giving, and doing good in their community. And we'll mail a set of beautiful student-created Youth Art For Healing notecards to you.

Thanks so much and all the best to you!

Jan
